EVENT: ENTERTAINMENT, AUTOGRAPH, AND MEDIA NIGHT

IN ASSOCIATION WITH: DR. CUE CLASSIC "ARTISTIC" CUP

PLACE: EXECUTIVE INN – CANTERBURY ROOM

DATE: SATURDAY, JANUARY 5, 2008

TIME: 7:00PM TO 10:00PM

You are hereby invited to attend a special entertainment night at the Dr. Cue Classic Artistic Cup event being held in Louisville, KY. This gathering of players, fans, sponsors, and media sources will be a unique highlight of the weeklong schedule of activities during the Derby City Classic.

Rick "The Barber" Hawkinson will be the Master of Ceremonies for this festive occasion. He will also be the main Master "Artistic Pool" Performer for the evening, mesmerizing the audience with 3 "acts" of his famous, entertaining, and oftentimes "hard to believe" antics around the pool table.

This professional of "fun and artistic pool wizardry" will delight each person with 1) the Blues Brother routine, 2) the Disco Man on Roller Skates skit, and 3) a special Dr. Cue Tribute presentation. During the various scripts he has designed to entertain and amuse, he will use an assortment of various props, including balloons, a bowling ball, a unicycle, candles, a special "rubber band" cue, bottles, and a special creation he calls The Rat Trap...all being performed to the **choreography of special selected music amidst his artful cue movements.**

Other skilled stars of our growing and magnetic sport discipline will show a few of their own entertaining creations as time allows. In addition, "Dr. Cue" will be doing his humorous "Power Cue" routine, fast paced "Wing Shot" selections, famous "Starburst" shot, and cueing favorites, including "Roller Coaster" cues, "Chop Sticks", and "Down Under" specialties. **An opportunity for the fans of our sport to demonstrate any new "artistic shot" concepts that they may have designed will be given with prizes being awarded for their effort.**

The evening will be filled with a "reunion style" atmosphere of some of the greatest "Artistic Pool Playing Artists" in our modern day sport movement...providing autographs and photo sessions to anyone in attendance. **This is a must see...not to be missed event attraction.** I am confident that you will want to share the memories of this night with others, so bring your friends and family. Video cameras and any items you would like autographed are welcome.

Hoping to see you there... Tom "Dr. Cue" and Marty "Ms. Cue" Rossman
