

Discipline: (2) "Prop" / "Novelty" / Special Arts
Shot / Challenge #: 5
Degree of Difficulty: Unassigned (Special Scoring)

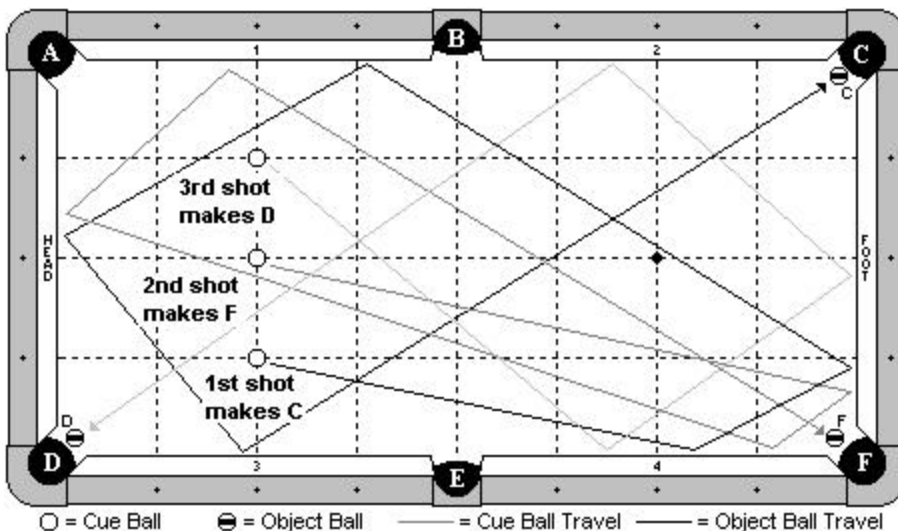

Cue Ball Placement: Use three object balls as cue balls. Cue balls may be adjusted anywhere on headstring line, except for the center one, which must be on the diagram spot.

Object Ball(s) Placement: 'C' ball, 'D' ball, and 'F' ball centered between respective pocket points.

Objective: Shoot cue balls quickly per diagram designated order, without collisions, making as many of the object balls as possible at approximately the same time. All 3 cue balls must be struck within 4 seconds!!

Special Notes: Cue balls may contact extra cushions by object balls. Scratches are allowed! All cue ball travel lines per diagram graphics.

Scoring Potential: 3 attempts are granted and taken until best score is determined. Best attempt score is recorded based on 5 points for 5 cushion shot make, 4 points for 4 cushion shot make, and 3 points for 3 cushion shot make. Total, if all 3 object balls are made on one attempt, would be 12 points maximum! Attempt scores are not cumulative with other attempts!!
